## Reading

*Dear Catherine,*

**I am so happy** to hear that you and your family are visiting Hurghada in the spring! It is a wonderful place for a holiday. There is a lot to do and many different places to stay. You can camp, stay in a hotel or in the new youth hostel. It is very modern and comfortable, but much cheaper than the hotels. You can find out information at the tourist information centre. You should go there when you arrive. It is next to the police station in the middle of the new part of the city.

**Hurghada** has some beautiful beaches. When it is windy, you should definitely try windsurfing, too. Take a boat trip to the islands around Hurghada. You can go scuba diving or snorkeling . You can also go fishing from a boat.

**You shouldn't** walk too much in the sun. It is best to visit places early in the morning. Don't forget to go to the bazaar in the old part of the city. It is a good place to buy souvenirs.

Have a great time!

Salma

**Tarek:** Look father! Those tourists are lost.

**Father:** Yes, we should help them. Excuse me! Do you need any help?

**Woman:** Oh, thank you! We are looking for the tourists information Centre.

**Father:** It is not far from here, but it is closed today. Can we help you?

**Man:** *Thank you ! It is our first trip to Egypt, you see. There is so much to see and do here. We don't know what to do first! We are interested in all the ancient sites and famous places. Where do you suggest we start?*

**Father:** I suggest that you visit the museum. It is a good place to learn all about the things you will see at the ancient sites.

**Woman:** That is a good idea. When we are at ancient site, do you recommend a tour with a guide?
