Air is the secret to life on earth. If you look at other planets, you cannot find any that we can live on as there is no air on them. Scientists say that our planet is facing problems like air pollution and this will damage the life on it. Reports around the world claim that air pollution comes from factories, burning woods, car fumes and so many human actions. If we continue increasing air pollution, we will face serious problems in the future. Air pollution doesn't only affect human beings, but also affects animals and birds. We should think from now how to stop this problem and start doing something to solve it. On the other hand, we should increase the green area as it is a great source of oxygen which we need for living

A) Answer the following questions:

- 1- How are green areas useful to us?  
.....

Reading is a very helpful habit. It gives us new ideas and improves our language. When you read, you need to be in a quiet place. It is better to wear your reading glasses if it is necessary. You should read different topics. To remember what you read, it is a good idea to have a pen in your hand to underline or circle the important points. Try to discuss what you have read with your friends. People read for different goals. Some people read for **enjoyment**: just to feel happy and spend a nice time. **Others** read for work. Students read for their study or research. All of us read the news and the weather report. We also read messages, emails, and letters that we receive.

A) Answer the following questions:

The boat was one of the first forms of transport. A hundred years ago, the only way to make a journey was by boat. Nowadays, it is possible to fly from one continent to another in a few hours. However, many passengers still have fun while travelling by boat. Although is a rather old-fashioned way of travelling , it has certain advantages. To begin with, the boat is more comfortable than a plane or a car. Instead of staying in your seat for the whole journey in the plane or in the car, you can go for a walk on the deck, eat in the restaurant or even do shopping on the boat. However, having more space to move around makes a long journey much more pleasant. So, you can travel by boat if you have much time.
