My name is Mustafa. I am 23 years old. I am an engineer. My hobbies are listening to music and watching television. When I am free, I often listen to my favourite songs. At weekends, I usually go to music shops to buy good CDs. I always feel tired after a day's hard work. So, I usually listen to music in order to forget all worries in work. Also, listening to music will help me become relaxed and more comfortable before starting my work. I also spend an hour after dinner watching news and programs.
