

1. My classroom

I am in class 2c which is on the second floor. It's in front of the library. I like my classroom so much. My classroom is very nice and wide. My friends and I keep our classroom clean. We have a smart board. Our classroom is full of useful posters. There are thirty pupils in our classroom. It is big. We enjoy learning our different lessons there. We spend most of our school day in our classroom. I really enjoy my lessons in the classroom. It's really wonderful.

2. My school

My school is very big. There are twenty classrooms in our school. I like my friends and my teachers so much. My teachers are very helpful. They give us advice to be good pupils. There is a big library in my school. The library is on the third floor. The pupils go to the library to read or borrow books. There are many books there. At break, I talk to my friends and sometimes I go to the library. The toilets are in the ground floor. They are clean.

3. My favourite subject

English is my favourite subject. I like it because it helps me log into the internet. When I grow up, I want to be a teacher of English. I revise my English lessons every day. Also, I speak to my friends in class in English. Enough practice makes me perfect in English. It is spoken in many countries all over the World. I enjoy watching English films on TV. Sometimes I borrow English books from the library and I enjoy reading them. The English language has 26 letters while Arabic language has 28 letters. What's your favourite subject?

4. The places of interest tourists like to visit

Tourists like visiting many places in Cairo. There are many historical places in Cairo. The Egyptian Museum is an important place to visit. They can enjoy watching the history of Egypt. Cairo Tower, also, is a beautiful place. Tourists visit it to enjoy the beautiful view of Cairo and the Nile. In Cairo, there's also the Citadel. It has a lot of important monuments. Many tourists like to visit the Citadel. Qasr al-Nil Bridge is also famous in Cairo. From there, you can enjoy seeing the view. Qasr al-Nil Bridge is near Cairo Tower.

5. Qasr al-Nil Bridge

Qasr al-Nil Bridge is a famous bridge in Cairo. It crosses over the Nile. It is 382 metres long. It has two lion statues at each end. There was a bridge here, Gezira Bridge, in 1872. However, the bridge became too busy, so Cairo needed a bigger one. King Fuad opened Qasr al-Nil Bridge in 1933. Many people like to walk along the pavements of the bridge in the evenings. You can walk across it from the east side to Gezira Island. There are wonderful views of the river from the bridge.

6. Alexandria Lighthouse

To : Magdi
From : Ashraf
Subject : Alexandria lighthouse

The Lighthouse was built in Alexandria. It was built in about 283 BCE. It was built at the time of King Ptolemy. It was built to help boats at night. The Lighthouse stood on a small island. Many earthquakes damaged it. When Ibn Battuta visited Alexandria, he wanted to visit that lighthouse. But he couldn't enter it because it was too dangerous. Sultan Qaitbey used some of the stones to build Fort Qaitbay. It stands in the same place. There's also a museum in the fort.

Yours, Ashraf

7. Muntazah Palace

Muntazah Palace is a beautiful building in Alexandria. Tourists like to enjoy its gardens. King Abbas II built it for himself in 1892. It has two nice towers. There are high walls around it on three sides. One side overlooks the sea. Many people enjoy their time in its gardens. Last month, I went there with my family. We found many people there. Also some tourists like visiting it and have good time there. Montazah palace is a very famous place in Alexandria. Do you like visiting it?

8. The Cairo Tower

Egypt is famous for its great buildings. The Cairo Tower is one of the most important buildings in Cairo. It has the best views all over it. It took five years to build. It opened in 1961. It's 187 metres tall and stands next to the Nile on Gezira Island. There is a restaurant at the top. It moves, so you can see all of the city below you. There are 24 windows on each floor of the building. If you want to walk to the top, there are 2.500 stairs! At night, the colours on the tower change.

9. The Citadel (Salah al-Din's Castle)

Egypt is famous for its great buildings. The Citadel in Cairo is one of the most important monuments in Egypt. You can see its towers from a long way away. Some people call it Salah al-Din's Castle. This is because Salah al-Din AL-Ayoby, the famous king, built it to protect Cairo. It took eight years to complete. Work began in 1176 and finished in 1184. There are also four museums in the Citadel. You can visit several mosques, too.

10. Cairo international Stadium

Cairo international Stadium is in Nasr City, northeast of Cairo. It's about ten kilometres from the airport. The Stadium has 75,000 seats for the fans. It's the home of Egyptian football. Also, it has a 50 metre swimming pool. There is also a place for watching horse riding. It is not far from my house, so I like to go there. I usually go there with my friends. We enjoy watching football matches there. We spend a nice time watching football matches there. In 2019, this was the place for the Africa Cup of Nations.

11. A visit to the Egyptian Museum

To : Ramzy
From : Anas
Subject : A visit to the Egyptian Museum

Dear Ramzy,

How are you? I want to tell you about my visit to the Egyptian Museum last Friday. I went there with my family in my father's car. Do you know that there are about 136,000 historical objects in the museum? I saw the statue of Tutankhamun and his jewellery. The Egyptian Museum is the biggest Museum in Egypt. The Egyptian Museum is in Cairo. Many tourists visit it. Some of them take pictures of the wonderful monuments there. I'll tell you when I go to visit it again.

Yours, Anas

12. The Kharga Museum

Egypt has some interesting museums. One of them is Kharga Museum. Kharga Museum is the latest Museum in Egypt. It contains a lot of statues, coins and other objects. In the Kharga Museum of Antiquities, you can learn about life in the Western Desert long ago. The Museum contains some famous notebooks made of wood. It has books written from 360 CE I want to visit it one day. So, I asked my father to take our family there. It's far from Cairo, but it's really interesting.

13. Wadi al-Hitan

Wadi al-Hitan is an important place in the Western Desert. There are many whale-bones and fossils there. Few visitors visited it in the past because of bad roads. Now, a lot of tourists come to visit it because of modern roads. People could drive more easily through the desert. It's a large area. It is a very important natural site. You can find there many bones, skeletons and fossils. They are very old. It's very wonderful to see them. It is a famous piece in the world. The UNESCO decided that it should be protected.

14. Antarctica

Our world is really amazing. There are some places in the world which you can't imagine. One of these places is Antarctica. Antarctica is the coldest place on earth. About 98% of Antarctica is covered with ice. Captain James Cook explored Antarctica in 1773. Some of the ice has never melted in Antarctica. There is more than 4,500 metres of ice in some places. It's difficult to live there as it's too cold. Have you ever known about it? If not, I suggest you can go to the library and borrow a book about it.

15. A picnic at the weekend

A day I spent on my uncle's farm

Last weekend, I went to my uncle's farm in Fayoum. I spent a nice day with my cousins. We played and enjoyed the fine weather in the fields. My uncle keeps many animals. I helped him feed these animals. He keeps goats and camels. He gets meat and milk from goats. He uses his camels to carry things from place to place. He also grows vegetables and fruits. They are very nice and healthy. It was a very nice holiday. I was very happy and enjoyed a lot. I want to go there soon.

16. My job in the future

Do you think about your job in the future? I want to be a doctor. My father helps me to study well. I want to have a big hospital. I'll help poor people. Keeping healthy is very important. So, I like to help people get well. That's my hope to be a doctor. So, I work hard at school to get high marks. Dr Magdy Yaqoub is my hero. He has a big hospital. He helps poor people who are sick. He does his best to help them get better. Can you tell me about your job in the future?

17. Sports are good for health

Doing sports is very important for everyone. It helps us to do well in our study. It also makes our bodies strong and active. There are many kinds of sports. Many people prefer football. Others prefer some difficult and dangerous sports such as boxing. Doing sports is very good for your health. So, I advise everyone to practise a sport. You can play sports at your school. You can also go to a club. I'm really tall, so I like playing basketball with my friends.

18. The Egyptian football player you like most

Mohammed Salah is my favourite football player, I like him so much. He plays for Liverpool team and scored many goals. Also, he scored important goals for our National Team. All people love him. He encourages other football players to do well. He played for many teams. In Egypt, he played for Al-Mokaweloon team. Then, he played for other teams in other countries. He played in Switzerland and Italy. Now, he plays in England. Many people all over the world like him. He is also kind to people and helps the poor. He is very famous all over the world.

19. Rania Elwani

Egypt is famous for its great men and women. Rania Elwani is one of the world's fastest swimmers. She started swimming when she was 13 and won 77 medals in swimming competitions. She has stopped swimming and has become a university graduate, with a degree in medicine. Now, she has a busy life as a doctor. She also works hard to help sports in Egypt. In 2005, she opened a swimming school for young swimmers who want to be in the Olympics. She has taught us that you can do well at lots of things if you want to.

20. A famous sportsman

Muhammad Ali Clay is the most famous sportsman of the 20th century. He was a great boxer. At the age of 18, he won a gold medal in the Olympics in Rome. All people from all over the world loved him so much. After he retired from boxing in 1981, Muhammad Ali did a lot of charitable projects. Muhammad Ali died on June 3rd, 2016, aged 74. I watch his boxing matches on my laptop. He was a very strong boxer. He won a lot of matches. He was really a wonderful boxer.

21. A successful person (Bill Gates)

There are many famous people all over the world. Bill Gates is one of the most successful people. Do you know who Bill Gates is? He is one of the most famous people in the world. He went to Harvard University to study law. He didn't finish his degree. He started his own computer business. It was very successful and soon it has offices all over the world. He wanted to help poor people and he now spends most of his time helping charities. He has won many prizes for his work in computers and for charities.

22. My hero

To : Rashwan
From : Mohammed
Subject : My hero

How are you and your family? It's nice to write you this email I want to tell you about my hero. My father is my hero. My father is a teacher of history. He knows lots of historical information. All the students like him because he is kind and helpful. He works hard to make us live a comfortable life. I'm very proud of my father and when I grow up, I want to be like him. I'm waiting your reply. Can you tell me about your hero? *Yours, Mohammed*

23. My favourite TV programme

There are many TV programmes. Each one has his favourite programme. "Animal World" is my favourite TV programme. The programme starts at 2 p.m. every Friday. It gives me much information about different animals. I can also see some animals from different countries. I can see the programme another time on Tuesday. These programmes are very useful. You can learn a lot of information from these programmes. There are a lot of different animals all over the world. Some animals are dangerous, but most of them are useful.

24. History books

I like reading books. That's my favourite hobby. My father usually reads books in his free time at home. Every week he buys a new book. He asks me to read and tell him the information I got. I recommend you to read history books. History books are very useful. They give us much information about different periods. Also, you can know some information about famous kings and queens. These kinds of books are common in libraries. Also, you can use the internet.

25. An accident you saw on your way home

I want to tell about an accident I saw on my way home. Yesterday, I saw a bad accident in the street. A bus hit a small car. Three people were injured. Many people came to help, but I used my mobile to call for help. The ambulance took them to hospital, I felt so sorry for them. So, I took a taxi and went to the hospital. The doctors came quickly and helped them. They gave them medicine. Fortunately, it was not dangerous.

26. A prize you got in a competition

Last week, I won a prize for running. I could run three kilometres in thirteen minutes. I like running so much, I was very proud when I got the prize I hope I'll be a famous runner. Also, I want to be in the Olympics. When I showed the prize to my family, they were very happy. My father asked me to practise well and do a lot of exercises. Getting a prize encourages me to do well. My mother also asked me to study hard I want to be successful in my study and running.

27. Firefighters

Firefighters are brave people. They do their best to save people's life. They can save people from dangerous fire. Also, they like helping others. They are very fast in their moving towards fire. They can climb up high buildings using ladders to keep people's lives. They use water to put out fire. They have many tools to help them in their work. They really do hard work. In this way, they should be thanked for their hard work. Thanks for all of them.

28. Forms of communication

There are many forms of communication. Forms of communication were different in the past. People used messengers on horses to send letters. Egypt was one of the first countries to send letters to other countries. They used messengers on horses. Then, they used pigeons to send their messages. After that, trains began to carry letters. Finally, anyone with a computer and the internet can send and get messages quickly. Now, you can communicate with others from all over the world in just minutes. Technology made it easy.

29. Television in the past

I'd like to talk about the history of televisions. In the past, people didn't use to watch TV. People first had televisions about 90 years ago. They were very different from today. A TV screen was smaller than a postcard. Most programmes were in black and white. They were also small and very expensive. TVs became different. You can use remote control to change channels. Also screens became bigger, but with a small thickness Now, TVs are popular and found everywhere.

30. The advantages and disadvantages of the internet and TV

The internet and TV have advantages and disadvantages. They can give us a lot of information. They are very interesting. We enjoy using them. We can get information from the internet and TV every day. The internet is used in banks, hospitals and many other places. Most people use the social network. They use it to communicate with friends. But many people spend a lot of time using them. They can make us lazy. Moreover they can waste our time. We should use them in the right way.

31. Computers

Computers are important for three main reasons. They are flexible, accurate and they can store lots of information in their memory. Computers are now used in banks to store information about people's money, at home and in factories. The internet allows people to communicate with anyone around the world in seconds. Most books are now made with the help of computers. Even doctors use computers to help them examine their patients. We can say that we use computers in everything in our daily life.

32. School rules

School rules are important. The best thing to do in the morning is to arrive at school before lessons start. We must be polite in class. We must put our hands up to ask a question in class. We mustn't talk with our friends during the lessons. The best time to talk to your friends is when we are at break. We mustn't play in the classroom. We mustn't run in the corridor. We mustn't talk in the library. It's important to be safe in the laboratory.
